### Keep a project brief beside the selected reference

Reference measurements belong to the pictured configuration, not manufacturing tolerances or approved insert cavities. Confirm the bottle, pump/collar/cap, insert and final assembled envelope before artwork or packaging approval. Published reference does not mean live stock; fit, availability, MOQ, price and timing are confirmed for the selected project.

Selected SKU(s): _____ Quantity: _____ Destination: _____

Components / decoration / box or insert: _____ Target timing: _____
